## Completed Pokemon Rom Hacks List

### List of Complete Pokemon Rom Hacks

**Please help improve this list!** If you know of a completed game (or one that has at least 7 gyms) that isn't listed or if there is a hack that doesn't belong here, please let me know in the comments.

There are a few hacks that aren't complete but have significant progress, so I've added them as well.

Improvement type hacks (that don't change the story) are on [this](#) list.
